### George Strait Honored For Career Achievement

Country music superstar George Strait was recently honored by his record company, MCA Nashville, for his career achievements. The awards were presented at an invitation-only party held at the Arena Club in the Gaylord Entertainment Center in downtown Nashville.

Before a crowd of more than 300 friends, associates, songwriters, musicians and industry members, MCA Nashville presented Strait with a special plaque commemorating the sale of 55 million records sold over his 20 year career. MCA released Strait's first single, "Unwound," in 1981. In addition, MCA presented Strait with plaques commemorating the nine releases that have been certified platinum and multi-platinum in the past few years.

"Without question, George Strait is one of the most important artists country music has seen," noted Bruce Hinton, Chairman of MCA Nashville. "For more than 20 years he has inspired fans with his music and influenced many of today's newer artists. To his credit, he has done it in his own inimitable style. We at MCA Nashville are extremely proud to have been with George since the beginning of his recording career, and share in the phenomenal success of 55 million in sales." Hinton and Tony Brown, President of MCA Nashville and Strait's longtime producer made the presentation.

Before bringing the singer to the stage, Hinton made note of some of Strait's

career accomplishments.

- The #2 most certified Male Artist in any genre of music (behind Elvis)

- Festival has been one of the top-grossing tours in the industry and nominated three years running for "Tour of the Year" and "Most Creative Tour of the Year" by Pollstar
- Strait holds the Country Music Association's all-time record for most career nominations with 64

## George Strait Country Music Festival 2001 Is Here

The 2001 version of the George Strait Chevy Truck Country Music Festival is just around the corner and George Strait is set to host some of the greatest talent in Country Music. The Fourth Annual festival tour will kick off on March 24th in Tampa, FL before moving on to Miami on the 25th. The artist line-up for this year's tour is like a who's-who of the country music business and includes Superstar and multiple award winner Alan Jackson, the award winning multi-platinum group Lonestar, CMA Award winner and current 4-time Grammy nominee Lee Ann Womack, CMA "Horizon" award winner Brad Paisley, current chart topper Sarah Evans and Grammy Award winners "Asleep At The Wheel."

The 2001 tour will visit five (5) cities for the first time including Miami, Little Rock, AR, Columbia, SC, Milwaukee, WI and Joliet, IL. In addition, the tour will visit Las Vegas, NV for the second time but will play in a new venue, the very luxurious Las Vegas Motor Speedway. The tour will also visit Tampa, FL, Phoenix, AZ, New Orleans, LA, Atlanta, GA, Kansas City, MO, St. Louis, MO, Minneapolis, MN, Louisville, KY, Dallas, TX and San Antonio, TX.

The George Strait Chevy Truck Country Music Festival has been nominated three times as the "Tour of the Year" and "Most Creative Tour of the Year" by Pollstar and has been among the highest grossing tours in the entire music industry. The tour has played to over 2 million fans in just under 45 stadiums since it's inception for an average of 45,000 per show.

The George Strait Chevy Truck Country Music Festival is a day-long family event that includes a full day of music on the stadium stage and an entertainment and exhibit area outside the stadium called "Straitland." Straitland open two hours before the stadium show begins and features live bands on the Jack Daniels stage. The live-music continues until the stadium show starts and then resumes during each set break until sundown. In addition to the live music, Straitland features sponsor exhibits, vendor booths, food and drink concessions and games. Returning this year will be the Pemmican autograph booth where several acts will sign autographs for fans each day. Some of the sponsor booths give fans an opportunity to win front-row seats and backstage passes.

This year's tour will once again offer fan club seating but members are encouraged to read the story elsewhere in the newsletter as it will only be available to members on-line.

#### George Strait Honored For Career Achievement Continued...

that have been certified Platinum and multi-platinum since Strait last attended a party in his honor nearly five years before, Hinton presented Strait and his wife Norma with a kiln-fired crystal bowl designed and created by California artist Stephen Schlanser. The engraving at the base of the bowl read: "To George Strait Celebrating our 20 years together with over 55 million albums sold, MCA Nashville." When Norma came to the stage to join her husband of nearly 30 years, George surprised her and delighted the crowd with a kiss.

Strait made a presentation of his own, donating several items for the new Country Music Hall of Fame and Museum, which will open in downtown Nashville in May 2001. Accepting the shirt, belt, crisply starched Wrangler jeans, boots spurs and saddle on behalf of the Country Music Hall of Fame and Museum was Director Kyle Young. The saddle was one presented to George by his fan club in 1990 commemorating is first "CMA Entertainer of the Year" award. He also

included a rope that he has often used in roping competitions.

Strait has recently released his 27th

album on MCA and in March will kick off his 2001 version of the "George Strait Country Music Festival" tour.

#### New Fan Club Seating Rules For A New Tour

America has truly become a wired world. In fact, with cell phones and palm pilots, it has become to many people a wireless world. We thought the George Strait Fan Club was on the cutting edge when we instituted a toll-free number many years ago and we know we were way ahead of the game when we created one of the first, if not the first, full service website in the early 90's. The truth is that the cutting edge has moved way ahead since that time. Virtually all kinds of business is done through the Internet. In fact, more than 30% of all ticket sales to George Strait's 2000 Country Music Festival Tour were sold through the Internet and the number for this year is expected to be higher. It saves time and money and just makes good sense.

After much research and soul searching, we have determined that the best and fairest way to make fan club seating available for the 2001 George Strait Country Music Festival Tour is through the Internet. Fan Club seating will no longer be available at any box office or physical location and a credit card or debit card will be required to purchase the tickets. This will be an inconvenience for some people but overall will make fan club seating available to more fans than ever before. The George Strait Country Music Festival Tour will visit 16 cities in 2001 so fan club members from across the country, and particularly in rural areas, who want to travel and make one of the shows will have a better chance of getting fan club seats. If you don't have access to the Internet, check with a friend or some public outlet like the city library.

The Fan Club Seating will be very simple and will work like this. When you visit the newly designed George Strait website at <a href="https://www.georgestrait.com">www.georgestrait.com</a>, you will click on the link on the left side of the page that says "Fan Club." Then select the "Members Only" link. At that point the system will ask you for the User Name and Password. The User Name and Password can be found in the latest edition of Strait Talk in "Anita's Notes." It

changes in every issue but will not change before you receive your newsletter. On the next page click on "Schedule" and you will be taken to the tour schedule. For each tour date there will be a ticketing outlet listed. Click on the ticketing outlet (ex: Ticketmaster, Tickets.com) and it will take you to the Ticketing Outlet's page for that city. The system will prompt you for membership number. Once you enter your membership number and credit card information, you will be permitted to buy up to four tickets. Remember, that each member will only be allowed one transaction for each tour date. In other words, if you order two tickets and then decide the next day you want two more, you will not be allowed back into the system for that tour

All fan club members who have given the fan club their email addresses will be sent a notification of the on-sale date. Fan club members will be able to purchase their tickets on-line beginning 48 hours before the shows go on sale. No fan club seats will be sold after the shows go on sale to the general public. Remember that Fan Club seating is a limited number in each location and they will be sold on a first-come, first-served basis, so members who react quickly will have the best chance to get the fan club seats. Fan who make the effort may very well be able to get better seats through normal channels. Fan club seats are not all the best seats in the house. Some will be on the venue floor while others will be in good locations in the stands. If you are not sure if we have your email address, you may check by calling the fan club office at 615-824-7176 between 8:30 am and 4:30 pm Central Time, Monday through Friday. Please make sure that you have your Fan Club membership number on hand when ordering tickets. Orders without current membership numbers will not be accepted.

#### **Anita's Notes:**

Happy New Year! George Strait is going to help you celebrate the beginning of the 3rd Millennium with the 2001 version of the George Strait Country Music Festival tour. The tour this year has another great lineup and I know that those of you who will attend will have a full day of great day of memories. In addition to George Strait, the tour this year will include Alan Jackson, Lone Star, Lee Ann Womack, Brad Paisley, Sarah Evans and Asleep at the Wheel. In addition, three up and coming acts will perform on the Straitland stage beginning two hours before the show and during all the breaks between acts. Please check the website at www.georgestrait.com and we will give you a complete list of all the show times. We will also keep those of you who can't attend, updated on the days activities as they transpire. The website will once again have our Straitcams on hand to document all the activities, from the building of the stages on through the actual shows.

If you take any photos of this year's tour and would like to share them with the fans club and earn a little Strait Cash, it's easy. Submit your photos or reviews or comments to the fan club office and if we use them in a future issue, we will send you \$5.00 in Strait Cash, a collector's card and an issue of Strait Talk by first class mail. Thanks for your help.

Since the last issue of Strait Talk, George Strait received some very exciting news. MCA Nashville presented George and Norma Strait a beautiful, one of a kind, crystal bowl to commemorated George's 20 years with MCA. Please read the story on his achievement award and see some of the photos elsewhere in the newsletter. Congrats to George for 55 million records sold. Wow, It's seems like only yesterday,

MOVERS MOVING?

DROP US YOUR NEW ADDRESS BY MAIL OR CALL!

GSFC • P.O. BOX 2119 HENDERSONVILLE, TENNESSEE 37077

(615) 824-7176 (MONDAY - FRIDAY 9 AM - 5 PM CENTRAL TIME) you were sitting in Erv's office at MCA on 16th Avenue.

We hope you have reviewed the Fan Club Seating story elsewhere in the newsletter. Remember that Fan Club Seating will be available this year only on-line through our website at www.georgestrait.com. Each fan club member who is current and has provided us with an e-mail address will receive a notification from us in the week prior to each on-sale with the proper information necessary on how to go about getting fan club seating. Remember that fan club seating is limited and offered on a first come and first serve basis. Fans who make the effort may very well be able to obtain better seats through the normal ticketing methods. Fan club seats are not necessarily all of the best seats in the house. Some are on the floor and some are in other good areas. All are good seats. Thanks to all of you who have sent in your e-mail addresses.

If you are not sure if we have your e-mail address, please go to the website and click on the "For Members Only" sign in the middle of the home page or call us at 615-824-7176 and double check with one of our office staff. You will also need your fan club membership number when placing your order for fan club seats so double check and make sure you have it. We hope you like the new way we are doing the fan club seating. Please be patient as all new systems sometimes take a little time to get the kinks out. The really good news is that members will be able to buy four tickets instead of the previous two.

If you are a new member and have access to a computer, log on to the all new George Strait website at www.georgestrait.com. This is a very good tool to help you get to know George and keep up with what he is doing. We also hope that you like the new look of the site that was developed for us by Sid Farbstein at Bill Young Productions. They do an outstanding job for us. This issue the new User Name and Password is as follows:

User Name: <u>texas</u> Password: <u>rodeo</u>

If you have any questions about the website, call the fan club and we can try and help you. The fan club number is 615-824-7176 and is open from 8:30am until 4:30pm, Monday-Friday. If you have an address change you can also call of with that. Remember that if we do not have your correct home address, your Strait Talk will go into the Post Offices trash bin. They are

not forwarded so please let us know if your are moving or have moved.

In closing, we would like to wish Norma Strait a very Happy Birthday and best wishes. Also congratulations to George on all of his recent nominations from the American Music Awards, The People's Choice Awards and the Grammy's.

This concludes the first issue of the 19th year of Strait Talks. Best wishes to you all and may 2001 be filled with love, joy and good health.
